@anuz-chaurasia   anuj-chaurasia-5b7913235

EXPERIENCE

- **Front-End Web-Developer| IDM VALLEY**   *(May '24 – July '24)*
  Web Developer internship primarily focuses on design, involving the creation of visually appealing and user-friendly web interfaces.-- using HTML, CSS, and JavaScript and ReactJs.

- **Data Analyst | EDB GLOBAL**   *(July '23 – Aug '24)*
  As a Data Analyst at EDB Global, I leveraged my analytical skills to collect, process, and interpret complex datasets to support business decision-making. I collaborated with cross-functional teams to identify data trends, generate insights, and create visually impactful reports using tools like SQL, Python, and Power BI. My role involved optimizing data workflows and ensuring data accuracy, which contributed to actionable business strategies and operational efficiency.

EDUCATION

- BCA| H R INSTITUTION OF SCIENCE & TECHNOLOGY, UP   65.27%|*2021 - 2024*
- XII (CBSE) | DHRT SARASWATI VIDIYA MANDIR, UP   *65.8%| 2021*
